Staff meeting outline

1 hour practical training session

An inspiring introduction to curriculum outdoor learning

During this practical session, your staff will explore:

- What curriculum outdoor learning is - and how it differs from Forest School and outdoor play
- The research behind outdoor learning and the impact it can have on engagement, behaviour and attainment
- Simple, low-preparation activities that can be used across a range of subjects and year groups
- How to safely take learning outdoors using risk-benefit assessments
- Practical ideas to help staff feel inspired and confident to get started
