

The Alfresco Hub

Meet The Alfresco Hub

- Curriculum-linked outdoor lesson plans - for teachers to adapt and slot into their weekly teaching sequence
- Activity packs - bring movement and engagement across the curriculum
- Bitesize CPD guides - to support safe and effective outdoor learning

How it works

- Sparks inspiration for teachers
- Scaffolds outdoor teaching at every level - meeting staff exactly where they are
- Reduces workload without prescribing lessons - allowing teachers to adapt to your grounds and specific children's needs
- Provides staple activities, teachers can use across the curriculum

How it supports your staff team

- Builds confidence in taking whole classes outdoors
- Harness the power of the outdoor environment to enhance learning
- Develops creativity in planning
- Inclusive teaching and learning approach
- Enriches the curriculum & makes learning intentions explicit
- Improves class engagement, pupil wellbeing & supports behaviour
